Presidents Message:

Welcome back to another season of our favorite winter sport.

As busy as September was, everything seems to be falling into place. The teams have been selected and we are well into the tiering rounds. Thank you to Leanne Fawcett and all the graders who volunteered their time to evaluate our players and place them on their teams. Please keep in mind that the four week tiering round is used to be sure teams will be playing in their appropriate (A,B,C) division levels.

For the past couple of seasons we have been working on the Fraser Valley Ringette Web Site www.fvringette.com . It has gotten a little better each season and we hope that it will continue to improve this season. On the site you will find the contact information for the executive, registration information, practice schedules, coming events, and other useful information during the season.

There are many other Ringette Web Sites you might find interesting some of these include the Lower Mainland Ringette League www.lmrl.ca, the B. C. Ringette Association www.bcringette.org and of course Ringette Canada www.ringette.ca from there you can find links to many other Ringette sites.

We have also set up a Fraser Valley email account, though there are still a few bugs to work out, we are hoping that this will be a useful communication tool also. We still need to complete our master email list so if you are concerned that we do not have your family's email address please email us at fvringette@hotmail.com and we will add you to the master contacts list.

Our game schedules are always available on the Lower Mainland Web Site and they do make changes so check the site often.

I would like to wish all of our teams the best of luck during the coming season. Play hard and have fun!!!!

Theresa Leslie
President – FVRA
