2. Team Selection Guidelines

Teams will be formed based primarily on considerations to player calibre and age. The minimum number of players required to form a team shall be 7 and the maximum number of players on a team roster shall be 18. Team rosters are to be finalized and submitted to the LMRL as soon as possible, but no later than the requirements of the LMRL and the Ringette BC, whichever requirement comes first.

FUNDamentals 1 & FUNDamentals 2

Should there be sufficient registrants to form more than one team, player assignment will be made by the FUN 1/FUN 2 Coaches, Division Coordinator and/or the Director of Coaching in order to create equal calibre teams. If a player is new to FVRA and has expressed a team preference on the registration form, the FUN 1/FUN 2 coaches, Division Coordinator and/or Director of Coaching will consider the request when creating equal calibre teams.

U10

This division will be evaluated at the start of the season and the evaluation scores will be used to create equal calibre teams. A draft will be conducted by the Director of Evaluations, Vice-President and Coaches from within the division at the end of the evaluation process to determine player placement.

U12

This division will be evaluated at the start of the season and the evaluation scores will be used to create equal calibre teams. A draft will be conducted by the Director of Evaluations, Vice-President and Coaches from within the division at the end of the evaluation process to determine player placement.

U14, U16, U19 and 18+

Division guidelines are being updated by RingetteBC and FVRA Policy will be updated accordingly.

Old policy to be updated: (These divisions will be evaluated with the purpose of placing players on teams of like calibre of play. The scores will be tallied and used to determine the placement of players into higher or lower calibre teams within the division.

In tiered divisions where more than one team in that division will be formed, the head coach of the higher caliber team (when selected) will be assigned 40% of the team based on the top evaluation scores, and will be able to choose the remaining 60% of the team from all remaining players in that division. This will happen when evaluations are complete and before teams are announced. Once the selection is completed, the players will be notified and the team will be announced.

A player may request not to be evaluated for the more competitive team and be placed on the lower calibre team within the division.)

GOALIES

In the divisions from U14 to 18+ there may only be 2 (two) registered goalies per team. Evaluation will be completed and goalies selected as per evaluation results.

If a player is unsuccessful in securing a position as a goalie, Fraser Valley Ringette Association will offer the following:

- The player will be encouraged to register as a player no later than September 30 of that season with the understanding that they will then be a player and will be expected to pay the full registration fee as such.
- Assist the player in a positional transfer as a goalie to another association.

Fraser Valley Ringette Association recognises the development of goalies is essential to the growth of our sport and as such extends an offer to any player aspiring to be a goalie to participate in association lead goalie development training (may or may not include fees).

2.1 Evaluators

- The Director of Evaluations will appoint evaluators for all divisions based on their experience and availability.
- Evaluators should be at least 18 years old and have a minimum of one year experience as either a coach or manager, or three years of playing experience at a B calibre or higher

 - Director of Athlete Development
 - Director of Coaching
 - President
 - Director of Officials

 - Tournament Director
- Once the evaluation process is complete the Director of Evaluations will report the results to the FVRA Board of Directors.
- The Evaluators should assess the players individually and should not confer with each other or anyone else during evaluations.
- Comments on the evaluation forms should be made in a constructive manner and should not be derogatory in any way.

- Any grievances from parents or players with the outcome of team selection will be referred to the FVRA Board of Directors. The grievance must be resolved prior to team rosters being submitted to the LMRL.
- If a player is unable to attend the player evaluations for the U12, U14, U16, U19 or 18+ divisions and the Director of Evaluations and the Vice-President believe that evaluations are required for proper team placement, the player will be evaluated with the higher caliber team during the team practices until an assessment can be made by the Head Coach, Director of Evaluations and the Vice-President.
- If a player is unable to attend the player evaluations for the U10 division, and the Director of Evaluations and the Vice-President believe that evaluations are required for proper team placement, the player will be evaluated with a team during a team practice(s) until an assessment can be made by the Director of Evaluations and the Vice-President.

2.7 Player Movement

FVRA believes players should play with their peer group in their normal Divisions (based on age) and Player Movement should only happen in exceptional circumstances. We take these requests very seriously and that is followed to ensure we are being fair to all involved. Player movement shall be discussed with the coaches involved and their input will be taken into consideration. The Vice President will contact the parents and the Director of Coaching will contact the coaches within 48 hours of the decision being made by the Board of Directors. All player movements must meet the requirements of the Ringette BC Policy Manual.

Player movement (playing in a higher or lower Division than the age of the player) can be accomplished in two ways:

a.) Parent Driven Request:

- the player initially must register in their normal age Division. Please note, no request will be accepted unless the player has been registered to play and payment has been received by FVRA.
- once registered, the parents need to supply FVRA with a letter asking for permission for their player to play in the new Division (important to include the reasons why). The parents should e-mail this letter to the Registrar and copy the President (see Contact section at www.fvringette.com for details).
- To be dealt with in a timely manner all requests should be received by FVRA before August 1st. Requests received after August 1st will be managed as best we can (and may take some time).
- All players begin the season in their normal age Division. Important: the player cannot attend the ice session of the Division they would like to move to; if this happens their request will not be reviewed.
- The FVRA Executive reserves the right to ask the player requesting movement to attend 1 or 2 evaluations with the higher divisions to aid in the determination of their team placement.

- After the evaluation ice the FVRA Executive will review the request and communicate the decision to the parents.
- If approved, parents pay the fee for the new Division.

b.) Association Driven Request:

- At the start of the season FVRA may not have enough players to form a team in a Division. FVRA may decide it appropriate to move one or more players to a higher Division to support team formation.
- Once any player(s) to be moved have been identified, FVRA will communicate with the parents.

How does FVRA make a decision on Player Movement? We look to three things:

- 1.) FVRA numbers in each Division: does moving players affect team formation?
- 2.) Skill of player: skating, aggressiveness, size, game play etc
- 3.) Maturity of player: are they going to 'fit in' with the team and not be intimidated on the ice playing against older players

Player movement may not take place until after the completion of evaluations and after the formation of base teams to ensure FVRA has had an opportunity to look at critical team formation.

3. Team Management

3.1 Team Staff Duties and Qualifications

A maximum of five (5) team staff can be registered with a team and be permitted to be on the bench during games:

- Head Coach - Ultimate responsibility for players and staff.
- Assistant Coach - Teacher of skills, directing a given responsibility as delegated by the head coach;
- Manager - Administration, manager of human and other resources, transportation, communications and finances;
- Trainer - First aid, prevention of injury, medical resources, physical conditioning and equipment.

Each team (all divisions) must have a "Head Coach". Other positions are optional but strongly recommended for the efficient operation and organization of a team. Head coaches must be 18 years of age or older. Teams may have more than one person assume the position of head coach or assistant coach. However, there may only be one person registered as a trainer and one as a manager. All team staff must complete the requirements for their position as outlined by Ringette BC. Please see BCRA Policy Manual Section F. Technical Development – Coaching, for the complete policy.

A coach is considered trained once the required course(s) have been completed e.g. a coach that has completed the CI course is considered *Trained* in CI but not certified. To become

trained, a coach takes courses for different levels of coaching: CSI for B, C and CI (U12 and above) for A coaches. Once a coach has completed the CI evaluation process and received a successful evaluation of his/her coaching abilities, they are considered certified. To become certified the coach must complete the evaluation process and show competency for the level they are seeking certification in.

Making Ethical Decisions

All coaches must be Making Ethical Decisions Certified. To become Making Ethical Decisions Certified a coach must achieve a mark of 75% or more on the computerized MED Evaluation online exam at <http://www.coach.ca/make-ethical-decisions-med--s16834>. Coaches are considered "in progress" if registered for an appropriate clinic, and thus can attend tournaments prior to their clinic. All coaches must be qualified by December 15. The coach must have the level of MED equal to the level required to coach in that division, i.e. a U16A coach must have the CI MED.

- CSI Trained - CSI MED;
- CI Trained/Certified - CI MED.

There must be a head coach, alternate head coach or assistant coach (with head coach qualifications) present on the bench at the beginning of all games.

Anyone 14 years of age or older can begin to take NCCP coaching courses at the Community Sport – Initiation and Competition – Introduction contexts for Ringette across Canada. Interested individuals will have access to NCCP training and evaluation, but will only receive "Certified" status on their 16th birthday. Until then, trained and certified coaches under 16 years of age will be identified in the Coaching Association of Canada's database as "Trained - Under 16".

Qualified Female on the Bench

All teams U19 and younger - Must have one qualified female head or assistant coach, she must be 18 years of age or older if she is the Head Coach or is the only female on the bench. Please take note that having a female manager on the bench and no female coach is NOT sufficient. 18+ - Does not require a female on the bench.

The following are the coaching level requirements for the "Female on the Bench" as per Ringette Canada's Policy:

3.2 Bench Staff Selection

General

FVRA, through the direction of the Director of Coaching, will select coaches he/she feels best meet the objectives of the programs offered and the game itself. FVRA will endeavor to select coaches who will provide the greatest benefit to the athlete's in our programs, and who will meet the coaching requirements set forth by Ringette Canada and Ringette BC.

All potential Head Coaches are required to have completed or be in process of completion of a Criminal Records Check complete with Vulnerable Sector Check when they have submitted their coaching application.

All supporting bench staff are required to have completed or be in process of a Criminal Records Check complete with Vulnerable Sector Check on or before October 15.

If the Director of Coaching is in conflict with the Head Coach selection process in any division, they must be replaced by another executive member for the purpose of receiving and reviewing coaching applications, interviewing candidates and determining coach placement for that division. If they are in conflict they shall be replaced by the first person available in the list below who is not in conflict.

- Vice President
- Director of Athlete Development
- Director of Evaluations
- President
- Director of Officials
- Equipment Manager
- Ice Scheduler
- Registrar
- Secretary
- Director of Promotions
- Director of Ways and Means
- Treasurer
- Tournament Director

Head Coach Selection Process

Head Coach Candidates will be asked to submit their intent to coach no later than one (1) week prior to the commencement of the upcoming ringette season. The Director of Coaching may approach qualified candidates after the deadline to fill association team requirements if there are no qualified candidates who have applied. The Director of Coaching will use the following criteria in the selection of the Head Coach:

- Strong Ambassador for the association and the game of ringette;
- Will contribute to the development of the athletes on and off the ice;
- Will conform to the association systems and philosophies;
- How they relate to (communicate with) athletes, coaches and parents participating in our programs;
- Certification, completed or in progress;
- Experience;
- Past Performance;
- Ringette Knowledge.

Selection of the Head Coach position for non tiered divisions can be made as soon as the association knows the number of declared teams it has. For the tiered divisions, selection of the Head Coach positions will only be completed after the evaluations have ended and before the teams are announced. The exception to this is if a Head Coach candidate has no ties to that division, that candidate can be named as per non tiered divisions.

The interview process consists of a base set of questions referencing the criteria set out in the selection of the Head Coach, that will be asked of all candidates to ensure an equitable and transparent process. The interview will be conducted by a panel which must include the Director of Coaching and one other, which may include board members. The panel candidate must be approved by the board.

The Director of Coaching is required to take notes during the interview process to ensure the interviews are documented for the purpose of review for selection, and in the case of a candidate challenging the process.

The Director of Coaching must review with the President the list of successful Head Coach candidates before they are named to any teams.

Supporting Bench Staff

The head coach is responsible for the selection of their own bench staff. Head coaches are responsible to ensure they recruit qualified candidates who understand their role on the team. All bench staff selections are to be reviewed and approved by the board no later than seven (7) days after team formation. The following criteria is recommended in the selection of the supporting bench staff:

- All supporting bench staff are required to submit their intent to coach no later than one (1) week prior to the commencement of the upcoming ringette season. Head Coaches may approach potential assistants, managers and trainers after the deadline to fill team requirements if there are no qualified candidates who apply.
- Training and certification complete or in progress.
- Supporting bench staff understand their role on the team as support and to implement the associations and head coach's philosophy, which is not limited to:
 1. Assist with planning, organizing and conducting practices, team events.
 2. Assist with pre-game preparation, post game evaluation.
 3. Assist with the operation of the team throughout the season.
 4. Assist with the supervision of players off and on the ice.
 5. Assist with the formulation of season/game plans.

On Ice Helpers

We realize the need for "On Ice Helpers" may be required in all divisions. They will not require coaching credentials, but will be required to have completed or be in process of a Criminal Records Check complete with Vulnerable Sector Check on or before October 15 and be registered with the association as a "Volunteer".

Guest Speakers/Coaches

Guest Speakers/Coaches do not require Criminal Record Checks provided they are in the presence of vetted FVRA coaching staff or board members. If they are to go on the ice they will be required to sign a Ringette BC Waiver of Liability form.

Criminal Record Checks

All Criminal Records Check complete with Vulnerable Sector Check must be completed to the satisfaction of FVRA. FVRA reserves the right to temporarily suspend any person who has not completed the checks by the deadline or to suspend any person who has not completed the checks to the associations satisfaction.

3.3 Team Dispute Resolution Guidelines

When coaching a team, there is always the possibility of conflict arising between the team staff and parents. Conflicts can arise from disputes over ice time, practice planning or simply be a matter of clashing personalities.

While each coach will handle these situations in their own way, the following are some common guidelines for resolving disputes:

- No matter how the team staff intends to handle disputes, it is strongly suggested that a parents' meeting be held at the beginning of the season. At this time, team jobs can be delegated and expectations can be outlined for both parents and players.
- Disputes will take many different forms during the season. Minor issues can usually be resolved quickly through clear communication with parents. Being approachable on minor issues will probably help prevent them from escalating into larger conflicts.
- Establish a "cool down" period with parents. It is recommended that team staff and parents wait for 24 hours before approaching one another regarding a dispute rather than discussing it while one or both parties are likely to be too emotional. The cool down period allows both parties to be more rational when discussing the conflict and it is often enough time to diffuse a hostile situation. It is quite likely that a situation requiring this may never arise, but if it is discussed at the beginning of the season, all parties will be prepared to wait.
- If there is a conflict that continues without hope of being resolved or has escalated into an uncomfortable situation, the issue should be referred to the Board of Directors. The parent(s) or team staff should contact the Director of Coaching or President and the matter will then be dealt with at that level. Once the matter is deferred to the level of the Board of Directors, the board will use the same procedures to resolve the conflict as set out in Section 4 Risk Management.

5. EQUIPMENT AND SAFETY GUIDELINES

5.1 Equipment

Players must adhere to equipment regulations as outlined in the Ringette Canada Rule book and Ringette BC Policy Manual Section H. Technical Development – Athletes and Sport 4.1 Equipment.

- FVRA strongly recommends the use of mouth guards.
- If required by a player, goalie equipment is supplied by FVRA.
- FVRA may require a deposit (equal to replacement cost, as decided by Executive) from all players who are loaned goalie equipment.
- Goalie sticks are supplied by FVRA for all Divisions. All sticks loaned out are to be returned at the end of the season.
- At season end if a jersey is not returned by a family or is returned in very poor shape, the player/family is financially responsible for the replacement of said jersey. The equipment Manager will price and quote for the replacement.
- Goalie Discount: \$200.00 off Registration Fee for full time goalies who have their own equipment. For complete details please see Section 6.2 Registration Discounts.

5.2 Safety

- First aid kits will be supplied to all teams by FVRA.
- Players are required to provide a permission letter from a physician before returning from a major injury or a concussion.

- FVRA will adhere to section 4.2 (Safety) and 5 (Anti- Doping Policy) of the Ringette BC policy manual regarding policy around anti-doping policy as well as alcohol and drug consumption.
- Reporting Incidents: All potential or actual injuries must be reported by the team coaching staff to FVRA executive. The head coach or team manager will complete a Ringette BC Accident & Injury Report and submit within 30 days of the accident or injury.
- In the event of an On Ice Official being injured, it is the responsibility of the home team to activate their EAP and to fill out the Ringette BC Accident and Injury Report.
- That FVRA will not tolerate any bullying or unsafe intentional play. As per Ringette BC policy (section 1 Ringette BC Risk Management and Safety Policy) there are guidelines that FVRA will adhere to with regard to these issues.

6 REGISTRATION

6.1 Refunds

In order to be eligible for a refund the individual must notify the Registrar in writing. Notification must be in the form of an e-mail or letter from the individual withdrawing or the individual's parents. Once a player has withdrawn they will not be permitted on the ice. All refunds will be assessed at a \$25 administration fee. If FVRA has already paid the player's Ringette BC fee, this amount will also be deducted from the final refunded payment amount

Refunds (of fees paid) for players who withdraw will be prorated from the week the Registrar has received notice in writing. The refund amount will be prorated over the 24 week season (less the administration fee and any Ringette BC fees paid). For example, if the player withdraws during the second week of the season they will be entitled to a refund of $(24 - 2) = 22 / 24 = 92\%$ of fees paid, less the \$25 administration fee. There will be no prorated refund due to an injury if the player returns to play.

6.2 Discounts

We want our discounts to be easily understood, well communicated and to be utilized by all members of FVRA.

FUNDamentals Players: receive a special discounted rate; Family, Goalie Discount and Friend Referral Discount cannot be applied to lower the Registration fee further for these players.

Family & Goalie Discounts: a maximum of one discount may be applied when calculating the Registration fee for each player.

- For example, a player in the U14-Division wants to be a full time goalie (has her own equipment) and she has two other family members playing. She would qualify for two discounts: Family & Full Time Goalie. The family is only able to take one discount to lower the Registration Fee for their player. Taking the Full Time Goalie Discount would save the family the most money.

a.) Family Discount for 3rd or 4th Player in Same Family = \$50

- Purpose: to encourage multiple family members to play Ringette.
- Who decides which family member's registration the discount is applied to? The family is to decide this and provide details on their Registration form when they register.
- Discount cannot be used to lower Registration Fees of a FUN 1/FUN 2 or U10 First Time player.

b.) Full Time Goalie - U14 and older receive a \$200 discount

- Purpose: to encourage players to play goal; to help families offset the higher cost involved with playing this position.
- How is Discount Taken? Deduct from fees paid at time of Registration.
- Discount is intended for U14 and higher Divisions.
- For FUN 1, FUN 2, U10, and U12 we will not offer a goalie discount as we want to rotate players through goal; this will let many kids try the position and gain valuable experience and will help the Association develop goalies in future years.

6.3 Late Registration

The Association will accept all new registrations up to the Ringette BC cutoff date of January 15th of each season. All cases of late registration fees will be reviewed and voted on by the Executive; each case will be based on its own merits but discounts are strongly discouraged. All returning players will be required to pay the full registration fee, except in the case of injury.

6.4 4 Year Olds (age as Dec 31)

Our FUNdamentals program is designed for players aged 5, 6 or 7 (or new skaters aged 8; see below for more details). We find that 4 year olds need a great deal more help than the older players as they are not as developed both physically and mentally; our program works for 4 year olds if they get the extra attention (need very high coach/player ratio when on the ice) which is why we need a high level of parental involvement. FVRA will consider allowing a small number of 4 year olds to register if a parent is able to coach (head or assistant), manage a team, is on the Executive or is involved in some volunteer role within the Association. Each year we also monitor the total number of registrations for 4 year olds; we reserve the right to cap the number of 4 year olds we accept any given year to ensure we are able to deliver the best possible FUNdamentals program. Please contact the Registrar if you would like to register your 4 year old player.

6.5 8 Year Olds (age as of Dec 31)

One change that was made recently by Ringette Canada was allowing 8 year olds to play in the FUNdamentals division. This change was made to better accommodate players who are brand new skaters who are not aggressive. FVRA wants kids to play with their peer group (as they have much more fun) and therefore we want 8 year olds to play in the U10 Division which is where most 8 year olds and all 9 year olds will play.

7. FUNDRAISING

7.1 Association Wide Fundraising

FVRA will perform one or two Association wide fundraising events each year. Each player is required to participate in the raffle ticket fundraiser, this is mandatory for each family up to 2 players per family. If a family does not wish to participate they may instead choose to pay \$50 per player (maximum 2 players) to FVRA in October.

The amount to be paid per player will be confirmed by FVRA in September of each year (based on the financial position of FVRA at that time). The \$50 amount has been confirmed since before the 2012-13 season.

7.2 Team Fundraising

Individual teams may decide to fundraise to cover the cost of Tournament fees etc. Each team will hold a parent meeting at the start of each season; during this meeting team fundraising needs will be reviewed.

8. VOLUNTEER REQUIREMENT

Ringette is a not for profit organization and is staffed entirely by volunteers (officials excluded). To offer our program we need parent volunteers to take on the various roles: Executive, Tournament Committee, Promotion, Team Staff etc. Over the years we have been fortunate to have a high level of volunteerism from parents and this has resulted in us being able to offer a very well organized program that is well received by players and parents.

8.1 Parent Association Volunteer Requirement

- As communicated on the Registration Form, during the year each family is required to provide a minimum of 6 hours of volunteer time to support our Association. This time is in addition to the Parent Team Volunteer Requirement (see section 8.2 below). It should be noted that many families will contribute much more than 6 hours and we encourage and appreciate their dedication.
- Families who perform the following volunteer roles will be considered to have completed their Parent Association Volunteer Requirement:
 - taking a position with the FVRA Executive
 - taking a position on the Tournament Committee: Michelle Vandale Memorial Spirit of Winter Tournament or any other FVRA Tournament.
 - assisting with FVRA promotional events including Come Try Ringette
 - Team Coaches, Assistant Coaches, Trainers and Managers (listed on Karelo)

- To satisfy the Parent Association Volunteer Requirement, all FVRA families, except those who perform a role indicated above, will be scheduled for a volunteer time slot during the Michelle Vandale Memorial Spirit of Winter Tournament or any other FVRA Tournaments.
- At the start of each season, a \$300 fee notice will be posted via our registration website, stating that if a family does not fulfill the Parent Association Volunteer Requirements as outlined above, they will be assessed a \$300 fee payable before the commencement of the following season. If for some reason this \$300 fee is not paid, the player will be considered a member not in good standing (they will not be able to register for the following season until this fee is paid, nor will they be allowed to vote at the AGM).

8.2 Parent Team Volunteer Requirement

- As part of registering their player in Ringette it is understood by parents that they will need to volunteer during the year for at least one of the following team jobs or functions:
 - Team Staff: Head Coach, Assistant Coach, Trainer or Manager
 - Other Parent Functions: timekeeping, scorekeeping, shot clock etc
- Teams normally exempt Team Staff (Head Coach, Assistant Coach, Trainer and Manager) from performing Other Parent Functions (timekeeping, scorekeeping and shot clock etc) during the season.
- However, Executive members and Tournament Planning Committee members are not exempted from performing Other Parent Functions (scorekeeping, timekeeping and shot clock etc) during the season.
