2. General Information

What Does A Team Manager Do?

As Team Manager, your job is to organize the off-ice activities of the team and work as liaison between the players, parents and coaches. Please see FVRA Policy manual for full description.

Resources Available to Help You Succeed

This handbook is meant as a resource to aid both new and seasoned Team Managers. You will also want to become familiar with the Fraser Valley Ringette Association website. Additional useful information can be found on the Lower Mainland Ringette League and the BC Ringette websites. Having good information will help everyone make better decisions.

Helpful Websites: www.fvringette.com www.lmrl.goalline.ca www.bcringette.org

The Importance of Good Communication

Another key to having a successful team is basic – COMMUNICATION. Good communication between the Manager, the Coach and parents is essential to ensure the smooth running of any team.

3. Team Management

To have a successful season it is important for the Head Coach and Team Manager to clearly define and agree upon responsibilities at the beginning of the season, and to keep an open line of communication throughout the season. Duties performed by the Team Manager will vary somewhat by team based on the Team Manager's abilities, interests, and availability, the coach's perspective on responsibilities and by what other parents do. It is important for the Team Manager and the Coach to meet at the start of the season (and before the parent meeting) and get on the same page before they start talking to parents.

Each team should consist of:

Bench Staff

- Head Coach, 2 Assistant Coaches, Team Manager & Trainer (First Aid)

Possible Team Support Roles - these will vary from team to team – see page 11 for details

- Treasurer
- Fundraising Coordinator
- Timekeeper and Scorekeeper Coordinator
- Away Tournament Coordinator
- Social Convener

Delegation of Duties

It is easy for managers to be tempted to do many of the job functions themselves. At the start of the season most parents will be prepared to volunteer in some capacity. A good rule of thumb is each family should take on one task. This spreads the work around and makes for a more enjoyable experience for all families. Getting involved also helps parents better understand the workings of a Ringette team. It is also important that we get parents involved to allow them to gain experience. This will ensure that FVRA has lots of experienced parent volunteers able to help in future years.

4. Important Requirements: Administrative, Legal & Accreditation

As volunteers working with children there are administrative, legal and accreditation requirements that must be met by all Team Staff. It is the Head Coach's responsibility to ensure that all Team Staff (coaches, trainer and manager) have the required certification for the team's level of play.

This information is included in the Managers Guide so that the Team Manager can support the Head Coach in this function. All related information including course dates & locations can be found at:

- <https://ringettebc.ca/coaches/coaching-resources/>

It is essential that by December 15 (or the date specified each year) all bench staff have obtained the necessary certifications. Questions regarding qualifications can also be put to our Director of Coaching.

Reminder: It is required by RBC for all Coaches & other bench staff to wear CSA approved helmets at all times while on the ice. This includes any players on the bench but not playing due to injury.

Criminal Record Check (CRC)

All Team Staff (Coaches, Trainer & Manager) over the age of 19 are required to have a criminal records check done by October 15. CRC's are valid for two years within the playing season. Head coaches are to have their CRC done when handing in the application before the start of the year.

To complete a CRC you will find the link on our website www.fvringette.com. The link is under the administration tab under forms. All CRC's are done online.

The RCMP will complete the forms and email directly to the FVRA Director of Coaching.

Manager's Certification Program

All team managers are required to complete Ringette Canada's Manager's Certification Program.

Ringette has developed a complete training program for managers in order to address the special skills which managers must have in order to perform their job. It is a completely online program and is available directly from Ringette Canada through the coachingringette.ca website. The course involves reading a handbook and completing the accompanying test.

Code of Conduct Contracts

All players, parents and team officials must read and sign Code of Conduct Contracts. Each contract covers conduct at practices, games, events and team functions and addresses issues such as harassment, alcohol and drug use among others. FVRA expects players, parents and officials to conduct themselves in an ethical, appropriate manner at all times. As Team Manager, you are not only responsible for upholding the code of conduct personally, but for being vigilant that the code is not being abused by your players, parents and other team officials.

This contract should have been completed prior to the start of the season. The form can be found on the FV website, www.fvringette.com/administration/

Medical Information Form

Each player/parent must fill out a Medical Information Form. This information could be critical in the event of an injury or a medical emergency.

This form should have been completed at the start of the season the form can be found on the FV website, www.fvringette.com/administration/

Association Volunteer Requirements

Families who perform the following volunteer roles will be considered to have completed their Parent Association Volunteer Requirement:

- taking a position with the FVRA Executive
- taking a position on the Tournament Committee: Michelle Vandale Memorial Spirit of Winter Tournament or any other FVRA Tournament.
- assisting with FVRA promotional events including Come Try Ringette
- Team Coaches, Assistant Coaches, Trainers and Managers (listed on RAMP)

At the start of each season, a \$300 fee notice will be posted via our registration website, stating that if a family does not fulfill the Parent Association Volunteer Requirements as outlined above, they will be assessed a \$300 fee payable before the commencement of the following season. If for some reason this \$300 fee is not paid, the player will be considered a member not in good standing (they will not be able to register for the following season until this fee is paid, nor will they be allowed to vote at the AGM).

How to Get Reimbursed for Clinics

FVRA upon approval from the director/s, will reimburse volunteers for the cost of clinics they are required to take. Upon completion of the course, send a copy of the receipt to the Treasurer (with your address) and they will mail you a cheque. ** Please note that the volunteer must have approval to take course prior to registration

5. Season Start Essentials

The team manager is the central figure in creating the flow of communication – not only within the team (players, parents and coaches), but between the team and all support systems such as the ringette association, other teams and officials.

FVRA Coaches and Team Manager Meeting (early September)

It is mandatory that you attend the FVRA Coaches and Team Managers meetings. The Director of Coaching will run the meetings and provide an introduction to the season and be available to answer questions. The Director of Player Development will also review plans for the season.

Team Meeting

As soon as the team has been formed, discuss the timing, location and goals for the first team meeting with the Coach. FVRA teams often use the team meeting as an opportunity for the players to bond in addition to sharing key information with parents. If someone is able to volunteer up their home for such a meeting, where the players can have a separate space, this can be ideal. The parents will need to have a quiet place to discuss the plan and expectations for the year.

Sportsplex also has a meeting room available; **e-mail the FVRA Ice Scheduler** to book this room.

Parent Meeting (**Below is just an example** of an agenda for a Team meeting. Before meeting with the parents please be sure to communicate with the Head Coach, change the agenda to match your Bench staff/team each year could be different)

- ***Head Coach introduction of Team Staff – review purpose of meeting***
- ***Head coach overview of expectations & Training - goals & objectives, credentials and philosophy***

 - *Westerns Mar (U14 above win at Provincials)*
 - *Decide as Team which to attend*
 - *Set a date when cheques need to be collected*
- 15) *Bank Account – 2 people on account*

Questions to review and get answered:

- *How many tournaments will the team attend?*
- *Will the team fundraise or do parents want to write cheques?*
- *Will you place a team order for name bars and/or jackets?*
- *Will snacks be provided after each game?*

Parents should be told at this meeting that they need to notify both the Manager and the Coach as soon as possible if their player will be unavailable for a game or a practice so that the necessary adjustments can be made and replacement players found, if necessary.

Review with parents that our home tournament (Michelle Vandale Memorial Spirit of Winter) runs beginning of December, usually the first weekend, and that they should plan accordingly.

Team Rosters

As soon as the team roster has been established and bench staff confirmed, the Manager should ensure the coaching staff register for their appropriate roles on RAMP.

The FVRA Registrar will then enter all information into the BCRA registration system (RAMP) and supply each team with an official Team Roster. It is critical the Coach and Manager review the RAMP Team Roster and ensure all the information is accurate. Deadline for roster changes is [November 15](#) except FUN1/2 in which case late registration is accepted until [Dec 1](#).

The roster will need to be supplied when registering for tournaments.

Additional Notes on Rosters and Picking up Players

Please refer to Fraser Valley Policy Manual which is the most updated Policy/Manual

Important: if your team wants to 'borrow' a player, your coach must first discuss it with the other team's coach before the player is asked.

Note: The intent of this is to allow only for the replacement of players who are unable to attend the event up to your current roster amount.

Equipment Distribution

The team is responsible for the safekeeping of this equipment, you should make note of the equipment received. At the end of the year, all equipment received must be returned in full and in good condition.

To start the season, each team will be given:

- Rings – to be returned at end of season
- First Aid Kit – to be returned at end of season

FVRA also loans out goalie equipment – to be returned at end of season

Jersey Distribution

Care of Jerseys

- Jerseys must be hung to dry after washing.
- Nothing is to be ironed on the Jersey (i.e. name bars)

Tip - Name Bars: should be sewn at the bottom of the jersey.

Ordering Name Bars

Lead-time is about two weeks; cost @ approx. \$9.00. Please check with local sports shops for quotes.

FVRA has home and away jerseys so parents may want a white and a black name bar.

Water Bottles

Players are to bring their own water bottle to each ice session.

6. Regular Season Management: The Basics

Record Keeping

As a Manager you will want to use some tools to stay organized. It is a good idea to create a binder with the following forms and documentation handy:

- Team contact list
- RAMP roster
- Contact lists - FVRA, LMRL, other teams
- Schedules - practices, games, and parent volunteers
- Game sheets – including blanks and extra labels
- Notices
- Arena information, maps etc
- Current financial information
- Tournament details
- Injury Report Forms

Contact List: Create and distribute a list of contacts for your team members; you will need to review what contact information parents/coaches want included. It is a good idea to keep extra copies on hand.

Practice & Game Schedules

Practice Schedules: provided by FVRA Ice Scheduler & posted at www.fvringette.com

Game Schedules: provided by LMRL Ice Scheduler & posted at TeamSnap Tournaments

Cancelling Practice

This is not a viable option, extenuating circumstances including but not limited to, shut down of facilities. Please reach out to the DOC/Ice scheduler for help in trying to fill/use your ice, if you're unable to trade off your team's ice time, your teams are responsible for your scheduled ice time. At no time should any ice sit empty, if such an occurrence occurs the team is subject to disciplinary action/fees.

Cancelling/Posting Scores/Rescheduling of LMRL Games:

<https://www.lowermainlandringette.ca/results>

FVRA Athlete Development

The FVRA Athlete Development Director will set up extra ice for divisions FUN-U19. This ice is to work on:

- Power Skating
- Ring Skills
- Goalie Skills

These clinics are run by instructors and are provided at no additional cost to FVRA families.

Details will be supplied at the start of the season when the practice schedule is released.

Dressing Room Security/Etiquette:

See FVRA Dressing Room Parent Handout: **Appendix A**

Managers need to enforce the 'no phones or cameras policy' in the dressing room. This is a Ringette Canada rule, intended to protect the privacy of the players and should be strictly enforced - No exceptions. Players and adults are expected to keep all phones put away (pocket or purse) and step out of the dressing room to answer or make calls or retrieve messages. Have a team mom check in on the players periodically to ensure the players are behaving appropriately & there are no problems.

Upon arrival for games or practices the Manager will need to secure a dressing room. A sign for the dressing room door can be useful so parents know which dressing room has been assigned. The Manager/coaches should ensure that the players are supervised while getting ready and that no one enters the room until the players have dressed completely. It is the Manager's responsibility to have a lock and key to lock up the dressing room while the players are on the ice and to unlock it when they come off the ice.

It is important that all teams use their designated dressing rooms as listed on the monitors located in the front lobby of Twin Rinks and Sportsplex. What happens is a chain, if one team takes the wrong room then it carries on all night and invariably older teams end up side by side and this could possibly lead to trouble. It is simply risk management on the part of the staff at Twin Rinks and Sportsplex.

Please ensure the dressing rooms are left clean after each practice or game.

Photo Day

Picture day is normally in early November with pictures distributed before Christmas.

FVRA organizes an annual picture day for all the teams. All players receive a Memory Mate (1 individual and 1 team 5x7) at no cost (players who miss the photo will receive a team picture). Various additional packages are made available for purchase. Have parents fill out the picture request forms in advance as there will be limited time to organize this at the event. More information regarding picture day will be sent out.

FVRA Fundraising

Each year FVRA does one mandatory fundraising activity.

Each player is required to sell one book of Raffle Tickets (1x \$50 = \$50).

Team Fundraising

Teams may decide to fundraise to help pay for team expenses such as attending tournaments. The FVRA Board of Directors must approve all fundraising events. Please submit an email to the President of FVRA (president@fvringette.com) with details prior to your event.

Off Ice Team Activities

Some teams will want to do it all: fundraising, tournaments, parties, while others may not. It's important to take the opinions of the group at the start of the season to see what the consensus is.

Activities to help with team building, relationships and fun outside of Ringette:

- October Activity: Meadows Maze: www.meadowsmaze.com 604-460-0603
- 13672 Reichenbach Rd, Pitt Meadows
- Split team into two groups; each group needs to find all the numbered stations
- Bowling
- Dryland Training
- Team Parties: Halloween, Christmas, End of Year

Christmas party tip: A fun way to handle gifts

Put a \$10 limit on Christmas gifts (you can also choose a theme... i.e., something fun or wacky). All children attending bring one wrapped gift (including siblings). All presents go under the tree. All the kids' names are put in a hat and the kids sit in a semi circle around the tree. First name drawn picks a present (does not open). Next name drawn can take the present already picked or one left under the tree. If they take one from another child, that child then picks a new one from under the tree. Next name drawn does the same. Last person to pick can take any present already picked or the last one from under the tree.

Conflict Management

As a Manager you should encourage strong communication if you sense that there are misunderstandings developing. It is preferable that any issues that arise on a team can be dealt with through direct and open communication as early as possible.

Players and parents are encouraged to deal directly with the Head Coach or Manager if there is a problem to be addressed. If they are not comfortable dealing directly within the team they can contact one of the Executive and they will do their best to positively resolve the situation.

Problems need to be dealt with promptly and without bias to ensure the players have a positive season.

- Never bring complaints to the coaching staff before a game.
- Never bring your complaints or negative comments into the dressing room.
- Always treat the coaches & officials with respect

Tip: Use The 24-Hour Rule: If a parent has something to say to a team official (that could be contentious) wait 24 hours after the event or the game before discussing it. By this time, everyone will have a better perspective and a lot of arguments naturally are eliminated in the process. Ringette is an emotional game. It's best to let the emotions simmer before talking to a team official.

7. Regular Season Management: Team Roles

A Manager's role is to work closely with the Coach and keep the team organized and running smoothly. To do this the Manager will need to delegate many tasks to other parents on the team. It is a group effort and if everyone contributes the year is much more enjoyable for all. It is important to communicate early that every family is expected to volunteer to support the team.

The following is a list of some of the volunteer positions that you may wish to fill:

Treasurer

- Works with Coach and Manager to prepare a budget.
- Set up the team bank account - have at least two people set up as signing officers.
 - o This account cannot be in a parents name
- Responsible for all team bookkeeping. Deposits all income and pays all expenses.
- Provides a summary for parents as required during the season.

Game Day Coordinator (for all home games)

- Ensures that the Timekeeping & Scorekeeping duties are covered (as assigned on schedule).
- For U12 and higher, ensures that the Shot Clock duty is covered; secure shot clock remote.
- Trains families to run game clock, fill out score sheets and run shot clock properly.

Fundraising Coordinator

- Organize and coordinate FVRA mandatory campaigns.
- Come up with a number of fundraising opportunities for the parents to choose from to raise sufficient funds to meet budget requirements.
- Organize and coordinate the fundraising campaigns that the team chooses to do.

Social Coordinator

- Responsible for organizing team social events throughout the season (team building events, Christmas party, year-end party etc.) and buying end of year gifts for bench staff and players, as decided in collaboration with the coach and team parents.

Out-Of-Town Tournament Coordinator

- Responsible for out of town accommodations and meal planning while away (pot-luck meals and/ or restaurant reservations, fun team events).

8. Regular Season Management: Organizing League Games

As Team Manager you are to ensure games run as smoothly as possible.

Scorekeeping & Timekeeping:

It is the responsibility of the home team to provide the scorekeeper and timekeeper (and shot clock operator for U12 and older) for all LMRL games. Ensure all parents are trained to run the time clock and understand how to fill out the Official Game Report (game sheet). (It is a good idea to have a sample Game Report filled out so that new parents can see an example of how to complete it.) You can cover this at a parent meeting and may want to go over time clock operation at a team practice.

Tip: Pre-printed Labels: You can create labels with player's names and numbers and stick them on Game Reports (**4 copies each game – one for each page**). It is important these are updated for each game to take into account missing players, affiliates or jersey number changes (for example, if a player has forgotten their jersey) and the goalie should be noted. The team's name should be at the top of each label and all team staff should be included on the bottom.

Fun Tip—Music: To give your home games an NHL feel, at Sportsplex you can play music during the pregame skate, during stoppages and between periods. All you need is an MP3 player/I-Pod, earphone jack (with two male ends) and an adapter to plug into the console located in the timekeeper's box.

Shot Clock:

Wireless Shot clock remotes (Sportsplex and Twin) can be found in the FV arena lockers, codes are provided yearly by the FVRA Equipment Manager. **Remotes must be returned to the lock up after each game.**

Rules: <https://www.fvringette.com/resources/>

Official Game Report

Games Reports need to be filled out for home games and provided to the away team at least 15 minutes before game time for completion of their team information. Bench staff (usually Head Coach) from each team must sign the Game Report.

What to do with copies of the Game Report (after the game)

Buff (orange): give to home team

Pink: give to visiting team

Canary (pink): give to home association

White: mail to **LMRL Referee in Chief (RIC)** - please see LMRL web site for current season RIC mailing info.

Posting Game Results and Game Reports on the LMRL Site

Posting game scores to the Lower Mainland website at www.lowermainlandringette.ca

Assigned scorekeepers for each team will enter game scores via the Team Snap Tournaments phone APP.

Here is the procedure for submitting your game results for posting online:

1. Head coaches will be assigned "Scorekeeper" admin access to Team Snap Tournaments platform by the LMRL Webmaster. It is up to your Association President to submit your coaching list to the LMRL Webmaster in order for them to obtain access.
2. Scorekeepers for HOME teams will enter official scores into Team Snap (via their phone app) as based on official game score sheets.
3. Scoresheets must be sent into the Division Coordinators — for pre-season exhibition games, and to the LMRL Referee-in-Chief — for regular league games

If you would like your Login and Password sooner, please email website@lowermainlandringette.ca with the following information; Association Team (U12 1), Name, Home Phone, Cell Phone and email. Once you have been issued your Login and Password:

- Go to LMRL website www.lowermainlandringette.ca and follow the instructions in posting a game

Either team is welcome to post the score, we would ask that all coaches post scores within 48 hours of playing the game.

Tiering Games U14-U16-U19- & 18+

Please scan and email all tiering game sheets to your division manager. Their email can be found on the Division Manager page of this web site

<https://www.lowermainlandringette.ca/resources/division-managers/> . In some cases they may be at the rink watching your game and may take a copy with them.

Regular Season Game Sheets:

All divisions (except FUN1 & 2) are to mail the top copy (white) to our LMRL-RIC. You can find their contact information on the LMRL web site.

Please note if there is an issue at a game that has to be dealt with by a referee, the white copy will not be returned to the coach and will be forwarded to the LMRL- RIC by the senior referee of that game.

Divisions U14-U16-U19 & 18+:

Posted game scores will be displayed on the website and stats will be calculated. Stats will be used for seeding for the year end playoffs. The format of the year end playoffs is yet to be determined.

Divisions U10 & U12:

Posted game scores will be displayed on the website but stats will not be calculated for the October to December schedule.

Division FUN 1 & 2

Posted game scores will be displayed on the website but stats will not be calculated.

All Game Reports where an official has kept the top white copy to write up a game summary/report will be sent to the RIC by the official(s) - they have their own procedures to follow.

Most importantly: All Game Reports MUST HAVE A GAME # in the top right hand corner or they will be sent back to the home Association. Considerable amounts of time go into taking stats and reading through each Game Report and the RIC does not have the time nor desire to look up the game #'s for ones that come to them blank, no game #, no divisions, no rink, no date/time, no coaches, and very occasionally no refs have signed.

Each association should consider holding a minor officials clinic to ensure that at least 1 person from every team (FUN to 18+) knows how to keep proper time/score/shot clock. These clinics can be run by your RIC or senior officials in your local associations or please don't hesitate to contact the RIC for assistance in getting this done.

Each person on the team who gets trained can then be responsible for ensuring that all the other parents get proper training. This will only help the game of Ringette. We will have more time to play the actual game, less time wasted in trying to get warm up times, half time, penalty times up/off etc. Game Reports will be filled out properly and with a pen that goes through all 4 copies, and shot clock operators will have confidence in what they are doing.

Post-Game Nutrition

Some teams like to arrange for post-game nutrition. This can be coordinated by the social convenor and be assigned to a different family for each game or it can be assigned to the fundraising coordinator with snacks sold and the proceeds put toward team expenses. Nutritionally, it is recommended that the players eat and drink a combination of carbohydrates and protein within a half hour of coming off the ice.

Fun Tip: Player of the Game Award - Buy a Ringette trophy and have your team name and year put on the faceplate. At the end of each game the coaches present the trophy to the 'player of the game' (as chosen by the coaches). This player takes the trophy home and then brings it to the next game where

the coaches present it to another player. Track who has received the trophy so that all players get their chance.

On-Ice Officials (Referees)

Teams are permitted to enter the ice surface before on-ice official(s) permitted a coach to be present and the Zamboni doors are closed. The on Ice warm up (3 minutes) starts at the time of day for which the game is scheduled or when the officials enter the ice surface.

Concerns Regarding Conduct of Officials

If you have a concern or complaint about something that has happened at the rink concerning officials please email the Director of Officials. If you have officials showing up late please send the Director of Officials an email with the time & date of the game so he/she can remind the officials to be on time.

9. Tournaments

REGISTER EARLY if the Coach has not already done so on behalf of your team as most tournaments are first come, first serve. As soon as a Manager is appointed they should ensure that the Coach decides what tournaments they'd like to attend and begin the registration process. It may not be possible to complete the team roster or bench staff list if registration is done prior to the team being finalized but complete as much information as possible and, if a cheque is required, you may consider sending a post dated cheque from your personal account. Keep track of all tournaments that the team has registered for and the deadlines to update the roster and bench staff and to send payment if applicable. You should also note the deadline for withdrawal without penalty in case the team changes plans.

It is important to book accommodation right away. You can call the hotel and book a block of rooms at a preferred rate. Each family then calls to book their room (from the block) paying the hotel directly.

Each team pays - registration fee

Note: each family is asked to provide up to a 6 hour time commitment during the tournament.

10. Risk Management for Managers

Emergency Action Plan (EAP)

Found on the FVRA website. A copy of the EAP should be kept in the First Aid Kit. The Manager or Head Coach should also have a copy.

Game Plan in the Event of an Injury

It is critical that every team has a game plan in the event of an injury. This game plan should be discussed with the coach, trainer and parents.

Accident & Injury Report Form

- Submit online; go to: <https://ringettebc.ca/the-office/online-forms-2/>
- Accident and injury reports MUST be submitted by a designated team staff member and within 48 hours of the occurrence. Please supply as much supporting information as possible.

Returning to the Ice after an Injury/Concussion

There is a return to play protocol,

11. Wrapping Up the Season

As the season winds down, there are a few final tasks to perform:

Returning Jerseys at the end of Season

At the end of the season each manager/coach will set a place and time for players to return their jersey which should be washed, name bars removed, and on hangers. The jerseys are then turned in to the Equipment Manager at an agreed to time. Please return the jerseys in numerical order, with dark jerseys overtop of the lights jerseys, and hung on wire hangers.

It is the responsibility of the parents to return their jerseys in a timely manner and in good condition.

TIP: collect jerseys from families after the last game of the season (versus trying to collect afterwards). You will need to wash them; this is much easier than coordinating a pickup afterwards.

Year End Team Party

Teams usually schedule an end of season party. The details are up to the team. You can take a poll of the players and see what activity they would like to do, or you can review with the coaches & parents. This is a good task to delegate to a parent or two. At the younger ages, most teams give small gifts to the players to celebrate the year. Coaches and managers are also given gifts, usually in the form of gift cards, but do try to get info on what they like first.

Player Gift Ideas:

- Medal
- Trophy

Coach Gift Ideas

- Coffee mug with team photo
- Plaque with team picture – Centaur Awards – cost @ \$40 each

Fun Activities/Venues

- Mini Golf
- Bowling
- Indoor Play Place

Activity and Dinner at Walnut Grove Community Centre (604-882-0408)

Activity 1: Swim (note, during week public swim may start at 6:30PM)

Activity 2: Rent the gym (ball hockey etc); rent full or ½ of gym

For the team dinner rent a banquet room (up to 60 people); cost is about \$75 (incl insurance).

Each family brings one item (juice, veggie tray, fruit tray, dessert); enough for 10 people.

Manager should track how many adults & kids will attend and also extra items each family is bringing.

- order pizza from **Little Caesars** (close by – across from Save On) **604-513-6000**
- 90% kids will want cheese only pizza; @ 2 slices per person
- Also bring plates, napkins & bottled water; music etc

Cost per person = \$4 to \$5 (not including cost of swimming; cost covers pizza & banquet room rental)

Add Some Fun with Player Certificates

At year end parties, many teams present players with a participation certificate. It is nice for the coach to include a positive comment for each player. Generic templates can be found on the internet.

Financial Report

Once all of your activities are complete, the Treasurer can forward a final report to the team.

Congratulations, you've done it!
Time to enjoy a well-deserved break!

Appendix A

FRASER VALLEY RINGETTE ASSOCIATION DRESSING ROOM PARENT HANDOUT

Players need to build camaraderie and the dressing room is a great place to do so but we need to make sure our kids are being respectful of their teammates, parents, opposing players and themselves.

Dressing rooms should be a restricted area for the exclusive use of players to change into their equipment and uniforms, share the team experience, and expect privacy. In general, access to team dressing rooms is limited to designated team officials, players, coaches, managers, trainers or designated female parents. Without exception, at least one member of the team staff present in the dressing room must be an adult female.

The dressing room is also an area for the players to build team spirit, to physically and mentally prepare and focus on game preparation and strategies, and to receive instructions and direction from the Coach and team management staff.

Parents, siblings, friends and other persons should not infringe upon the dressing room privacy of our players as they dress and prepare for a game or after a game.

- No male coaches or parents are permitted in the dressing room while the players are getting dressed (U12 Petite level and above).
- There should always be at least one adult female in the dressing room.
- Players must be fully dressed at least 10 minutes before ice time so the coaches can enter and discuss the game with the players.
- No cameras/video cameras or cell phones are permitted in the change room at any time.
- Voices will be kept to a reasonable level. No screaming or yelling.
- No graffiti or vandalism or any sort to walls, benches, bathrooms or showers.
- No swearing or rude language of any kind.
- Fighting, badmouthing and general abuse of fellow players will not be tolerated.
- No alcohol or tobacco.
- Garbage must be cleaned up before you leave the change room. No tape left stuck to anything. Leave the dressing room the same way you would expect it to be when you arrive – clean.

All participants in the Fraser Valley Ringette Association are expected to always adhere to these guidelines.
